Okay, then, introduce yourself.

This is Azawa. He'll be in your class starting today.

The new student was strange right from the start.

STAFF OFFICE

Sir... I'm sorry. Please forgive me.

There's no way I can make up for this...

Did you hear about the weird kid who transferred into 2-B?

Like he has guilt issues?

He apologizes all the time.

The other day, he was standing on the sidewalk, apologizing to everybody who walked by. Is he nuts or something?

I...
I'm really sorry...

Hey, Yuuma.
Ya gotta apologize today.

Please forgive me.

It's all my fault.

C'mon, your heart wasn't in it. You gotta do it better.

Get on your knees! And mean it!

You want us to forgive you? Then drink some toilet water!

Miss Keiko Arisu...

I'm so sorry.

Why are you constantly apologizing?

Yuuma, you apologize too much. You can't be so servile all the time.

We'd better talk about this in the hall. Come along.

Wh... What...?

Yes, sir...

is Yuuma's sister...?

That creepy girl...

His sister ...

Then Dad told him to call his parents here,

and then Yuuma confessed that his parents had passed away, and it was just him and his sister.

My dad was furious, saying he'd call the police. Yuuma begged him not to

on his hands and knees.

Later, my mom told me what happened. Yuuma apologized profusely...

I began to look forward to him visiting, too.

Eventually, they were mollified.

Yuuma came to the hospital every day and apologized to my parents.

His apologies began to feel oddly relaxing. Like my mind and body would just melt away.

One week later.

I really am sorry.

I'm glad you weren't hurt too badly.

It is my fault.

No...

...

Oh, it's okay.

It's not your fault...

What?

And that must be my fault.

But she changed. It's like she's a different person. Her heart became twisted.

My sister, Chizumi... She used to be such a sweet little girl.

They would yell at me a lot.

When I was little, my parents were really strict...

Did some-thing happen?

...

Huh?

I think that must be what did it.

I found an outlet for all that stress in killing small animals.

I think it's divine wrath.

Bugs and frogs and snakes...

That can't really...

No way...

Chizumi is possessed by a snake. I'm sure of it.

The snakes I killed have cursed us.

Groveling ain't gonna fix it! I'm calling the police!!

I'M SO SORRY! MY SISTER ...

Not long after that, the rumors started to spread around town.

Rumors of a creepy girl who'd appear on street corners and stalk women and children.

DASH

Yuuma ...

And as if to prove the rumors true...

Please forgive us!

Please allow me to apologize, too!

We're very sorry!!

Please...

I'm totally fine. Actually, it felt kind of good to do that!

Don't worry about it!

You went and apologized on my behalf...

Keiko, I'm so sorry.

Why would you want to?

Huh?

Hey, Yuuma, could I come over to your place?

I'll open up her heart and let out the part of her that wants to stop this!!

I really think I could!

I...

What ?!

I want to be Chizumi's friend.

...

Anyway, I have others to apologize to.

See you.

You don't know how evil she is, Keiko.

I'll go and talk to her directly.

I'll go over by myself!

What do you mean?!

Wh...

He feels like he's died and gone to Heaven!!

How does he feel? Oh...

The more he apologizes, the more he's overtaken with pleasure!!

He apologizes because he likes it.

He doesn't apologize for me.

?!

But he regrets it now... Please forgive him!

I know!! It's because he was so stressed, because your parents were harsh!

He's completely hopeless ...

It's because he killed so many snakes and frogs when he was little.

Ritual ...?!

It was for the ritual.

He didn't kill those animals out of stress.

Stress? Heh heh heh... Don't make me laugh.

And... it worked.

He was trying to summon the Devil.

Up in the hills outside of town...

He was sacrificing them to the Devil.

Yes...

Lies...

He prays to the Devil for forgiveness.

But not to apologize to anyone in front of him...

And then, the apologies began to be accompanied by the most exquisite pleasure.

That was the proof he'd met the Devil.

I'm sorry, I'm sorry!

It's totally true... One day, he came back from the hills shivering all the way, and then he groaned in his sleep all night long.

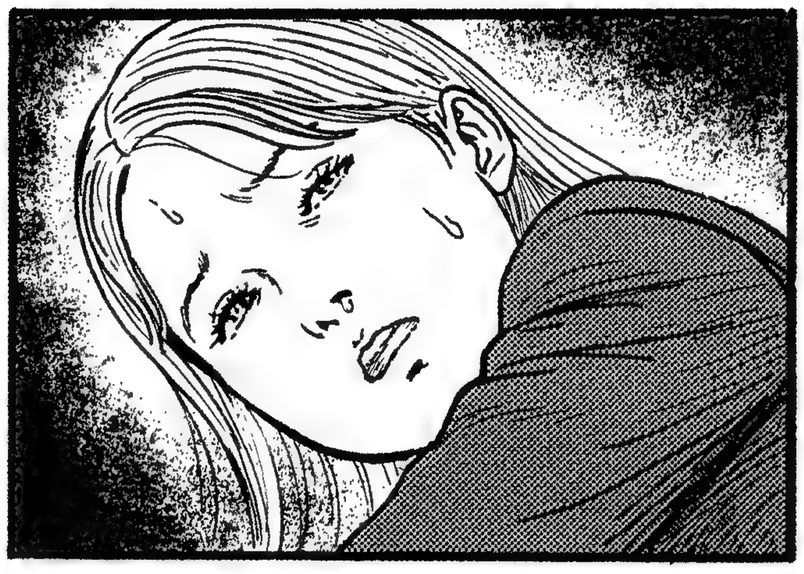
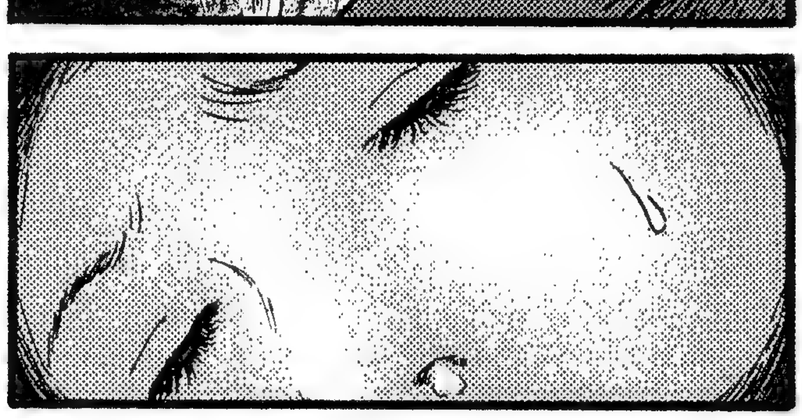
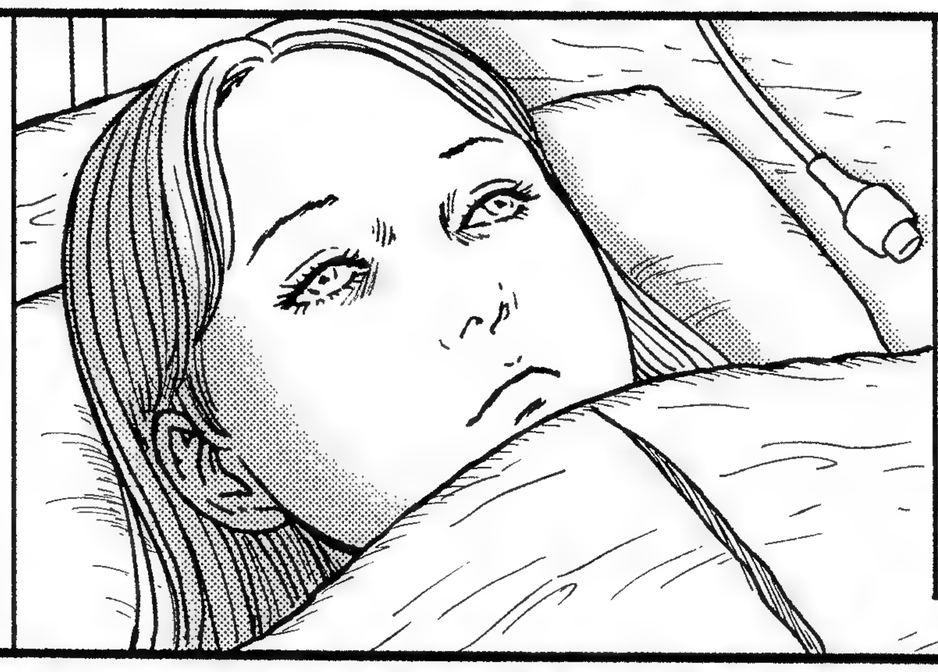
My brain had started melting— but it stopped just in time.

I woke up in a hospital bed.





Later they told me my parents were dead. But I didn't really feel anything... Probably because my brain is damaged...



Maybe it was because when I fainted, I couldn't hear those terrible apologies anymore, and I lived.

They must have gone somewhere else, to start all over again in some other town...

I don't know what happened to Yuuma Azawa and his sister Chizumi after that.

Dissolving Classroom: The End

Dissolving Beauty

She said she wanted me to meet her boyfriend.

After two years of radio silence, I got a message from my middle school friend Maiko.

...

Maiko!

Hey, Nao! It's been a while!

Sorry, who are you?

Uhm ...

What... what is this person saying? She's clearly not...

Why is she saying she's Maiko?!

Aw, come on... What're you saying? It's me, Maiko!!

Maiko ...?!

Wha...

Nice to meet you.

Hi. I'm Yuuma Azawa.

Nao, this is my boyfriend.

Nao... Are you saying I'm different somehow?

What's your problem? Of course I'm Maiko!!

Are you really Maiko ?!

H... Hold on a second...

Hey, Yuuma! Have I... changed ?!

She has a mole in the same place...

...Yeah ...kinda... But her voice is definitely Maiko's...

Yes.

Really? I can believe you, right?

I worship your beauty.

You haven't changed. You're beautiful.

But... what could've happened to her, to make her change so much?!

Now that I'm really looking, there is something of Maiko in her face...

We both fell in love at first sight!!

And every day, he tells me how pretty I am...

Yuuma transferred to my high school last year.

When I see old pictures of myself I get the feeling that something's different.

Well, you see how it is... I still get insecure sometimes, though...

Your features are so well-proportioned, they surpass the golden ratio.

Oh, stop! Oh ho ho ho!

But you truly are lovely.

...

I'm going to freshen up.

But then, Yuuma just keeps on paying me compliments ...

And I believe him.

Do you... really mean that?

She's still as pretty as she's always been.

She was such a pretty girl in middle school...

Yuuma, how long has Maiko looked like that?

...?

But...

Maiko is so lucky to have someone like you.

You're so kind...

...

You have unbelievably well-balanced features!!

Your beauty is exceptional.

She started following us around like a stalker.

Of course, Maiko was furious.

Yuuma ended up dumping Maiko and dating me instead.

So without getting into too much detail,

Eventually Maiko left us alone.

The scene I remember is Yuuma down on his knees, apologizing profusely to her.

But my memories from that time are vague.

After that, it was rumored that she killed herself.

Please forgive me...

Please forgive me...

Just so beau-tiful.

You're lovely...

Yuu-ma.

Thank you,

Oh, stop... You're embarrass-ing me!

And your skin is so clear... I can only call it miraculous.

ZHAA ZHAA ZHAA

Your eyes... they sparkle like diamonds ...

Really? I don't know if I'm that pretty...

The fairest in the world...

What? Let me see.

but I'm starting to feel like there's something wrong with my skin.

Yuuma... You're always saying how beautiful I am...

It's just as lovely as always. You're imagining things.

You're so beautiful... Your skin, too.

Oh, thank goodness... I was worried over nothing.

Yes, really. You're a stunning beauty.

Really?

You really can't tell?

What for...?

Huh...? What for?

Nao... You...

You have to go to the hospital !!

Your father's right, Nao. This can't be normal.

We're worried. You might be seriously ill.

...

He tells me so every day.

What're you talking about? Aren't I just as pretty as ever?

But... I feel like something is different.

ALBUM

No... That can't be true!! I'm the prettiest girl in the world!!

Yuuma says so, doesn't he?

He worships the Devil, and that's who he sees

What ?!

But he's not really saying those things to you.

He flatters you all the time, doesn't he?

Ever since he summoned the Devil when he was little,

he's been super busy, apologizing to it and praising it.

He doesn't see anything else at all.

Your face is totally destroyed... You haven't noticed?

Plus, there are evil electromagnetic waves between him and the Devil.

Anyone caught in the middle gets their brains melted or their face wrecked!

Hee hee hee hee hee hee!

You lie!

N... No...

Yuuma ...

Stop telling ridiculous stories!

Our parents died when she was very young, so she grew up to be a pathological liar.

I'm sorry she was so rude to you. Please forgive us.

Hee hee hee...

Really?! Are you saying that to me, to Nao?!

You are the most beautiful girl in the world.

I swear to you, I'm completely honest.
